

KidsCode

2020-2021

Dear Coding Parents,

This club promotes the global language of coding to build skills in science, technology, engineering, arts and math. They are learning how to code and create coding projects throughout the year. In addition, they will showcase/share their projects and work with students from all BISD elementary campuses later in the school year.

Location: Virtual – Remote Until Further Notice

Time:

Starting Date: October 5, 2020
